

The Central Intelligence Agency

A Photographic History

The Central Intelligence Agency shows the importance of the agency and its various methods of gathering information. The history of intelligence and William Donovan's mysterious travels before World War II introduce the book. Some of the book's highlights are the early cold war years, the emphasis on technology, human intelligence and the alleged abuses the agency was accused of during the 1970's, recently declassified information and how the CIA functions in a democracy.

First-published interviews with: Richard Bissell; William Colby; Admiral Stansfield Turner; Leo Cheme of the President's Foreign Intelligence Advisory Board; David Atlee Phillips; former Station Chiefs of the OSS and CIA; and General Eugene Tighe of DIA.

Special features include:

- A Who's Who of the CIA
- PFIAB
- A CIA Glossary
- The Clandestine Services Today
- KGB Watchdogs
- Science and Technology
- William Casey's CIA Today

This first-published photo journal contains hundreds of previously unpublished photos of personalities, buildings and operations. It also contains the first detailed organizational information and how the CIA functions abroad and in its accelerated role of informing Presidents and Secretaries of State.

Also included are chapters on America's other "spy" agencies and portraits and biographies of CIA Directors.

Foreword by the Honorable Richard M. Helms, former Director Central Intelligence.
